

Financial Information

Fee Structure	
REGISTRATION FEE – non-refundable amount to be paid on registration per year	R 3 000
STARTUP KIT	R 1200
TUITION FEE	R 22 500
TOTAL	R 26 700

The following payment options are available:

- Payment in full: R 22 500 - 5% discount is applied if paid within the first two weeks of the first term (R 21 375).
- Termly payments: 4 payments of R 5900 - required to be paid within the first two weeks of each term.
- Monthly payments: 10 payments of R 2475 - required to be paid by the last day of each month. The first payment is due before the end of February, and last payment is due by the latest end of November.

Payments can be made in cash, direct deposit or electronic funds transfer (EFT). In the case of direct deposits or EFT, the student's name or student number must be used as reference for identification purposes.

PAYFAST and YOCO machine payment options are available but will include an extra fee to cover the relevant charges. Please contact Administration for further information in this regard.

CTCFD has partnered with Student Hero to help our students and their families to apply, qualify, and compare student finance offers from the major South African banks and alternate finance providers, from a single platform, and at zero cost to you. Follow this link to connect your contact information to Student Hero so they can reach out to you about affordable finance options - <https://chats.landbot.io/v3/H-924754-WHUAT73X8627YZUG/index.html>

In the event of non-payment, a letter of suspension will be issued to the student preventing them from taking part in any further tuition until such time as the outstanding fees are paid up.

Should a student decide to discontinue their studies at any time during the academic year, the full year's tuition is liable to be paid according to the contract signed on enrolment.

ADDITIONAL EXPENSES

Sewing Machine – approx. R5 600 - R 7 000

Students are advised to make provision for approximately R200 per month for extra costs such as fabric, trims and fashion design requirements.
